Experience

Duck Creek Animal Hospital   **Smyrna, Delaware, USA**
Kennel Technician and Vet Tech Assistant   *July 2018 – January 2020*

- Managed the care of up to 32 cats and dogs and kept the hospital tidy and sanitary
- Administered medications (injections, capsules, etc.) and assisted 3 doctors and up to 8 technicians with x-rays, surgeries, and checkups which reduced client wait-time
- Trained new employees, helping transfer knowledge and skills to team members which grew the business

Animal Inn   **Dover, Delaware, USA**
Doggy Daycare and Boarding   *April 2017 – July 2018*

- Learned the unique needs of owners' pets which established a trusting relationship and repeated business with clients
- Cared for dogs and cats (fed, watered, cleaned up after, walked)
- Corrected small animal behavioral issues and encouraged positive behavior which clients appreciated
- Organized the workplace which improved workflow for the entire team

Self Employed   **Townsend, Delaware, USA**
Freelance Computer Technician   *October 2008 – June 2017*

- Set-up and managed web, media, data, game, and cloud servers
- Determined users' technical needs and provided them with solutions
- Installed hardware, software, and device drivers on desktops and laptops
- Upgraded software and operating systems on a continuous basis to ensure compatibility

Education
